LOLL SKUS

Loll Designs SKUs follow a specific guideline. To help you understand how SKUs are built, we have created an example for you that has been segmented.

POLY COLORS

Loll furniture is made from #2 HDPE material that is 100% recyclable. It will not rot and requires no paint, stain or ongoing maintenance to keep its beautiful appearance.

SECURITY + FASTENERS KEY

Security and fastener options can be added to select Loll products. If you are interested in adding this to your Loll product, please check it's compatibility and then reach out to our team to adjust your order.

Cable Hole: CH

Loll can work with you to provide holes in legs on some of our products to attach a security cable. This is a great option for light-duty securing of furniture, especially when you want to be able to have some movement of the piece. Loll does not provide the cable. Adding a cable hole has an upcharge of \$16 per SKU.

L Bracket: LB

Loll "L" bracket security mounts are an integrated permanent mounting option. This add-on system includes pre-drilling of insert holes as well as the actual hardware. Adding a "L" bracket has an upcharge of \$81 per SKU.

T Bracket: TB

Loll "T" bracket security mounts are an integrated permanent mounting option. This add-on system includes pre-drilling of insert holes as well as the actual hardware. Adding a "T" bracket has an upcharge of \$47 per SKU.

Go to loll designs.com/security to learn more about security and fasteners.

CONTRACT WARRANTY

To learn more about Loll Designs warranty on contract projects, go to loll designs.com/contract-warranty.

QUICK SHIP PRODUCTS

Select products marked with  are available for 3-5 day processing + transit shipping. Products are only available in select colors and do not have the option of adding security and fastener options. Max quantity limit of 25 per SKU.

View all of Loll's terms and conditions of sale at loll designs.com/pages/terms-and-conditions-of-sale.
